

ACTIVITY WEEK 2022

Dear Parent/Caregiver,

An activities period for students will be held at the end of Term 4 from **Monday 12 to Thursday 15 December 2022**.

The aim of Activity Week is to provide an opportunity for students to broaden their educational and leisure experiences and to build positive relationships, in a less formal setting with each other and their teachers. These opportunities do not always occur within a normal school routine.

Activity Week is a component of the school curriculum and students in all years are expected to participate.

It is a requirement of the Department of Education that students MUST attend school every day. Students that DO NOT participate in an activity are required to be at school. Classes will be run for students that do not wish to take part in an activity.

Your child is asked to make 2 selections from the activities outlined in the booklet. We will endeavour to place your child into their selection, however, you will appreciate this may not always be possible. The following criteria will be used to determine placement into an activity:-

- Prompt return of the student preference sheet.
- The school year of the child.
- Prompt payment of the non-refundable deposit.

Payment of a **NON refundable deposit** of approximately **one half of the total cost** paid **on** the date below will secure their position in the activity.

Term 3

Week 3 Return Student Preference sheet to Finance Office

Week 4 Students informed of preference via Sentral notices.

Week 5 **PAY non-refundable deposit** to the Finance Office to secure your place.

Tues 16 August – Camping & Overnight Stay Activities
